

**Come to a
Young Epilepsy
Open Day**

Do you know

a young person with complex epilepsy or other neurological condition?

Come and find out more about our special school, Further Education college and world-class medical facilities, all on our stunning 60 acre rural campus.

Open Days are held on Wednesdays and the programme runs from 10am until approximately 2pm, starting 18 January with others on 14 March, 16 May, 11 July, 19 September and 21 November 2012.

Prospective students or parents should contact Mandy Richmond on 01342 831348. Professionals and other enquirers please contact Jackie McFall on 01342 831202 or email openday@youngepilepsy.org.uk

youngepilepsy.org.uk

Young Epilepsy is a national charity for children and young people aged 5 to 25 with epilepsy and other neurological conditions. Young Epilepsy works in partnership with Great Ormond Street Hospital for Children NHS Trust and the University College London's Institute of Child Health.

Young Epilepsy's campus in Lingfield, Surrey includes residential and day provision at St Piers School, St Piers College and the world class Neville Childhood Epilepsy Centre, which offers a range of diagnostic, assessment and rehabilitation services.

Young Epilepsy's Information Service (helpline 01342 831342 Mon-Fri 9am-1pm) and a Sure Start Children's Centre for all local families are also based on-site.
