## "Seizing the Moment for Epilepsy"

On Saturday June 13th, many of the best musicians within the Gad's Hill community will be performing at a concert on behalf of the National Centre for Young people with Epilepsy, within the school grounds.

In addition to pupils from the school's Beatty House, the concert marks the return to Gad's of Tom Webzell and Simon Watson, with their band the Soundcasters, and drummer extraordinaire, Tom Close and his band Reykjavik. There will be appearances by local groups Contraband and Gunner SGT, and some special surprises.

So, bring your deckchairs, bring your blankets, bring your family and friends. To purchase tickets, please complete the form below and return it to Mr. Wadey/the school office. Please make all cheques payable to the NCYPE.
