

Safeguarding concern?

Have you observed any changes in behaviour, mood, appearance, or interactions?

This could be something you have noticed yourself, or a concern shared with you. This includes near misses, unsafe practice, or breaches of policy.

Anyone can raise a concern - serve users, staff, volunteers, contractors, visitors.

What to do

Ensure the safety of the individual who may be at risk.
If necessary, contact emergency services.

Contact DSL/DSO immediately
Follow guidance and direction given by the DSL/DSO.
Complete and submit a report asap within 24 hours.

What happens next

Safeguarding team will review the report.
We may contact you for clarifications and/or if you need to do anything else.

See it. Hear it. Act on it.

Keeping young people safe and information secure.
