Help us create our new mascot

Young Epilepsy

Your idea could inspire a friendly new character for Young Epilepsy.

We're looking for a brilliant purple animal mascot – and we need your imagination! Draw your idea, give your character a name and tell us what makes them special.

What could your mascot be like?

- A friendly animal
- Mostly purple
- Warm, fun and easy to recognise
- Simple enough to become a real mascot costume
- Ready for adventures with children and families

You don't need to be an expert artist. We're interested in your ideas. A professional designer may adapt or combine ideas from different entries to create the final mascot.
